About TWO WHEEL VIEW

Providing life-changing experiences for youth from the seat of a bike!

TWO WHEEL VIEW (TWV) is a charitable organization that provides leadership, environmental and cultural education programs to young people through their participation in bicycle education and expedition programs. The TWO WHEEL VIEW program is an extremely powerful and unique program that impacts youth in a very positive way. TWV programs focus on building self-esteem, connecting with communities at home and abroad, learning about environmental stewardship and encouraging healthy and active lifestyles. Programs include an after-school drop in bike shop, local bicycle field trips, and international expeditions.

Rick and Tanya McFerrin founded TWO WHEEL VIEW in 2000 after a two-year bicycle expedition around the world. Their experiences and perspectives on the world, as seen from the seat of a bike, created the basis for the unique programs that are now being offered. TWV is a registered 501(c)(3) nonprofit organization and a registered Canadian Charity serving young people in N. America. TWV is operated exclusively for charitable and educational purposes.

A tax receipt will be issued for all contributions. Donate by check or online.

How You Can Help

Your support and fundraising dollars will provide financial assistance to deserving youth who would not otherwise have the means to participate. TWV believes that all youth should have the opportunity to expand their physical and cultural boundaries. There are many youth, due to financial or social limitations, that are never exposed to what may provide the greatest source of learning – real life experiences that bring home valuable insights and logical steps for positive change.

Thank you for your contribution

TWO WHEEL VIEW is organized under Section 501(c)(3) of the U.S. Internal Revenue Code as a nonprofit corporation and as a Registered Charity in Canada number 81886 9547 RR0001. TWO WHEEL VIEW is operated exclusively for charitable and educational purposes. Contributions are 100% tax deductible.

About TWO WHEEL VIEW

TWO WHEEL VIEW has educated young people on the environment and local culture in N. America and abroad through educational bicycle expeditions since 2000. TWO WHEEL VIEW organizes programs for schools, youth groups and students. Our programs focus on learning about new cultures, connecting with locals through community development initiatives, and being environmentally and socially responsible. On these adventures, students learn lessons in leadership, health and wellness, achievement, and environmental awareness while having fun.

Rick and Tanya McFerrin founded TWO WHEEL VIEW in 2000 after a two-year bicycle expedition around the world. Their experiences and perspectives on the world, as seen from the seat of a bike, created the basis for TWO WHEEL VIEW.

TWO WHEEL VIEW provides the opportunity for young people to learn about the environmental and community resources at home and abroad and to experience the rich diversity of our global community. The bicycle becomes a potent tool for delivering our future leaders to locations where social, cultural, and environmental differences may become fascinating contrasts, and at the same time allowing youth to participate on a personal level with peers and communities perhaps surprisingly similar to their own back home.
