Important Registration Information

Meaningful Experiences: Two Wheel View offers a grass-roots approach to responsible travel. Our trips operate in a select handful of the most wonderful regions in the world. Two Wheel View Trips focus on adventurous, active, environmental and educational opportunities. As a part of the Two Wheel Trip experience, you will:

- Prepare for your trip through Two Wheel View's unique pre-trip orientation sessions.
- Discover new cultures and natural landscapes.
- Stay connected after the trip through social media and events hosted by Two Wheel View.

Managing the details: Two Wheel View will manage all the trip arrangements including: safety and supervision, travel coordination, bicycles and touring equipment, activities, lodging and accommodations, meals, and experienced trip leaders. Two Wheel View will provide you with "Trip Essentials" that will include everything you need to know to get ready for your trip, including: packing lists, travel logistics and coordination, health information for travels and other trip specific details.

Participant confirmation: Upon receipt of your registration form you will be contacted by Two Wheel View to confirm your participation on the Trip. You will also be required to complete various forms to help us ensure a safe Two Wheel View Trip experience for you.

Cost: All trip registrations must be accompanied by an \$85 deposit that will be applied to the cost of your trip. Trip dates, prices and day-to-day itineraries are on our website at www.twowheelview.org. We work to keep our trips affordable for everyone. All participants have the opportunity to fundraise for their trip cost. Two Wheel View can help individuals and groups with fundraising strategies and tools. A charitable tax receipt will be issued for all eligible donations.

Cancellations: You may cancel your participation on the trip at any time. Two Wheel View asks, however, that you do not register unless you are confident in your attendance on the dates and destination outlined in the trip details. It is important for you to know that cancellations are costly to TWV because we begin making arrangements for your trip as soon as you register. Once you are confirmed on a trip your trip deposit is non-refundable.
